

# LIFE GROUP CHECKLIST

Here are some fun and effective ways to build relationships in your Life Group this semester, both during and outside of your Life Group meeting time. See how many you can check off the list this fall!

- Have a fun-themed potluck  
*(Appetizer Night is my personal favorite!)*
- Have someone share their testimony  
*(Please reach out for resources on how to teach/coach someone to share their testimony if needed)*
- Serve in local missions  
*(We have outreach opportunities every month. Hope Campus, Community Rescue Mission, and Construction for Christ are great options to get started.)*
- Have a cookout on a random evening
- Take a road trip  
*(Arkansas has plenty of fun day trips that are within driving distance)*
- Sit together at a Weekend Service
- Celebrate a holiday together  
*(Can someone say Friendsgiving?!)*
- Toy shop for Christmas Mall
- Open up group with a fun icebreaker
- Deliver meals for Thanksgiving during ThankServing
